

PRING GUIDE

2022-2023

WELCOME

I'm so glad you're here

Hey, I'm Fergie. It's so nice to meet you. Thank you so much for considering me as your photographer. I think real moments are the best ones. So my style is all about getting real, honest emotions, and natural photos. Of course, I'll step in to tweak where you need a little guidance or help, but I do my best to make sure you feel comfortable and can forget the camera as much as possible. My style is more about getting you interacting with each other, rather than a lot of really formal posing. I hope that your eyes catch the spirit of my work and that your heart catches the values and meaning within the photos.

LOVE NOTE

Fergie Just wanted to send a quick thanks for being so great to work with. You seamlessly fit into the whole thing. As you saw, we had a great time! Thank you for making our day so perfect.

So excited to see the photos!!

01.

How Many Photos Are Delivered?

Every package varies based on hours of coverage and the number of photographers. But I typically deliver 50-75 images per hour.

03.

How Many Photographers Do You Work With?

For most weddings with one hundred guests or less, I photograph myself. I generally recommend a second photographer when your wedding includes multiple locations or over 150 guests.

02.

Do You Photograph Family Group Photos?

YES! your wedding photos wouldn't be complete without a few formal family photos. I'll send out a family portrait shot list closer to the wedding so I can capture all your important family members.

04.

When do We get Our Photos?

It depends on the time of year you get married! If your wedding is in the heart of the season (June-November) then you can expect the gallery in 6-8 weeks from your wedding date. If you opt for an off-season wedding (December-May then it's typically 4-6 weeks.)

Other sessions can take up to 2-3 weeks.

05.

How Do We Book?

1. You inquire and give me all the details
2. You choose a package & I answer your questions
3. I send a contract proposal. 50% retainer to book your spot on my calendar, and the remaining 50% is due the week following the wedding.
4. You have officially booked me for your day!

07.

Can We Order Prints Through You?

Yes! We have a client proofing website where you, your family and friends can order prints from. It insures efficiency, affordability and high quality.

06.

Are You Insured? Can You Provide A Copy Of Your Policy?

Yes! I have liability insurance and equipment insurance. I can provide proof of insurance upon request.

08.

Will, We Receive Any Raw & Unedited Photos?

Nope, I make sure every photo deserves to be a part of your gallery. Most of the photos that don't make it are duplicates or shots of blinking or stuffing food in your face.

THANK YOU!

I hope this guide has given you enough to get a sense of whether I'm the right photographer for you. I know how big of deal photos are. They're the ONE thing you have left of your wedding day to look back and remember all of the beautiful moments. Because of this, I know how important it is to make sure the photographer you go with is a perfect fit for who you are and the day you have planned.
